THE WORLD'S LARGEST SKATEBOARD SHOP

THE EASE OF ORDERING

The choice is yours:

call 1-800-477-9283,

fax 1-805-546-0330, drop your order in the mail, or buy on-line at WWW.CCS.COM.

We accept all major credit cards, checks—even by phone, money orders, or we can ship C.O.D. All the details are inside on the order form—any questions, ask away.

CCS.COM

Our web site is backed by 15 years of experience and know-how. As we continue to deliver top quality skateboard and snowboard goods, you can expect our web site to be just as helpful and informed as our knowledgeable sales staff.

CCS.COM is fully secure and is designed to make it as easy as possible to place orders and check stock. Click CCS.COM, order today and skate better tomorrow.

CONTENT SHOCK?

We do our best to try and not carry graphics and designs that may be offensive to anyone. However, skateboarding has always celebrated the individual and has supported non-mainstream ideas. Please keep this in mind when looking through the catalog. We have tried to provide many choices in each product category so you can find something appropriate for you. If you have any questions on a graphic or design, call our sales staff. We will be glad to help you.

CUSTOMER SERVICE & SALES HOURS

For your convenience, we have extended our Customer Service Hours. Our new hours are 5 a.m. to 10 p.m. PST every day. Sales operators are now available 24 hours a day each and every day.

DO WE HAVE IT IN STOCK?

When placing your order, our informed sales staff will let you know when you can expect delivery. If we are out of an item and we expect to get more, we will backorder it for you and ship it automatically when it comes in — charging you only when we ship.

SATISFIED WITH YOUR PURCHASE?

We sure hope so. If for any reason you're not, call our customer service department at 1-800-477-9283... we'll take care of you.

SHIPPING

We try very hard to ship within 48 hours of receiving your order. So for some parts of the country, if you order on Monday, you could have your new stuff by the weekend. When you place your order ask your salesperson how long it takes to your town.

WHY SHOULD I BUY MAILORDER?

Well, here are a few good reasons that answer the question. Unless you live in California, there's no sales tax. No hassles. No need to drive or park. It's a free phone call and it's delivered quickly to your door. Now answer this question: Could it get any easier or more convenient?

Decks are available with wood or slick bottoms and come in a variety of sizes, listed with each deck. Wood decks are constructed of 7-ply maple. Slicks have an additional thin layer of plastic on the bottom which allows them to slide easier. Personal preference and experience best determine what size deck you should ride.

Trucks Silver \$33.98 pair, Colored \$37.98 pair (unless otherwise noted)

Trucks come in various heights and widths. Truck axle width should be closely matched to your deck width—or at least within 1/4 inch. Truck heights only differ by about 1/4 inch. If you use bigger wheels then you should either use higher trucks, risers, or both to avoid wheelbite (contact of wheel with deck).
